

A design ideal for complex and virtually impossible spaces that adapts perfectly and faces up to the challenges posed by modern-day interiors to achieve a maximum adaptability whose only contribution is positive, without compromising on design.

Designed by
Ramon Benedito

A Barcelona industrial designer with a world-wide reputation – and a worldwide prize-winner. Over the 20 years he has worked with Roca he has employed a design criteria that can be summed up in a single sentence: rigour as a method.

Assymetrical acrylic corner bath (Left)
